世界碳酶肥料之父

MICRO CARBON TECHNOLOGY
Delivering Nature's Science

优马 HUMA GRO 美国优马生物技术有限公司

The advertisement features a central image of a man in a white lab coat holding a small plant, set against a background of a green field under a blue sky. The MET logo is in the top left. Large Chinese characters '世界碳酶肥料之父' (Father of the World's Carbon Enzyme Fertilizer) are overlaid on the image. Below the image, the text 'MICRO CARBON TECHNOLOGY' and 'Delivering Nature's Science' is displayed. At the bottom, three bags of MET fertilizer are shown, each with a different nutrient ratio: 7-7-7, 15-15-15, and 20-20-20. The company name '优马 HUMA GRO 美国优马生物技术有限公司' is at the very bottom.

¡MUCHAS GRACIAS!
